# Printing Stories and Sharing as PDF Files

Pictello (iPad, iPhone and iPod touch). In this tutorial you will print a story or share it as a PDF file which can be emailed and printed from a computer.
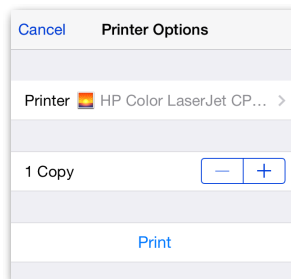

Locate the story you want to print or share, and then tap the *Edit* button. ❶ Next, tap the story. ❷
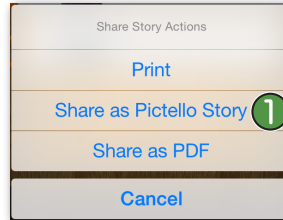

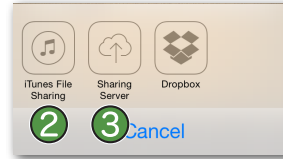

A list of choices will appear. Tap *Share.* ❶

If you choose *Print,* ❶ you can print your story to an AirPrint supported printer. Note that not all printers support AirPrint.

See support.apple.com/kb/ht4356 for more information on compatible printers.

If you choose *Share as Pictello Story,* ❶ you will be given the choice of exporting the story to iTunes File Sharing ❷ or the Sharing Server. ❸ See the tutorial bit.ly/17Sa0h9 for info on exporting stories to iTunes. For info on sharing stories using the Sharing Server, see bit.ly/1d00Ke7

If you choose *Share as PDF,* ❶ you will then be given the choice of mailing the PDF from your device, ❷ printing the PDF, ❸ exporting the PDF to iTunes File Sharing, ❹ (see instructions on the next page) or opening the PDF in any app that can open PDFs, such as iBooks. ❺
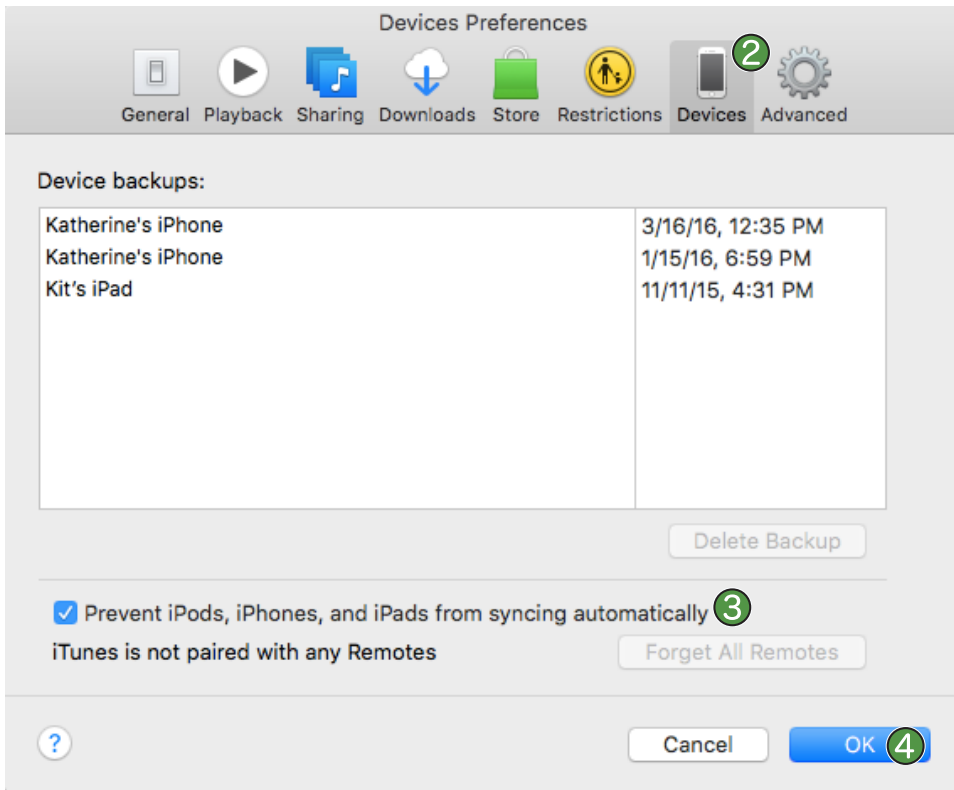

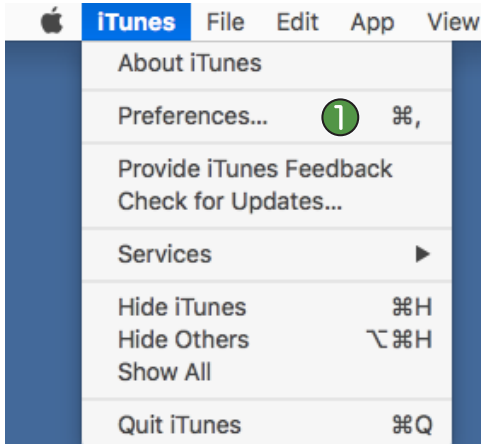

Note that choosing *Open In...* will show you a list of all the apps on your device that can open a PDF. The list will be different depending on the apps you have installed.

Important Note: If you are connecting your device to a computer you do not usually sync your device to, be sure to disable iTunes' automatic syncing so you do not overwrite your device's contents! Follow these steps **_before_** you attach your device to **_any_** new computer, or any new user account on a computer that has multiple accounts.
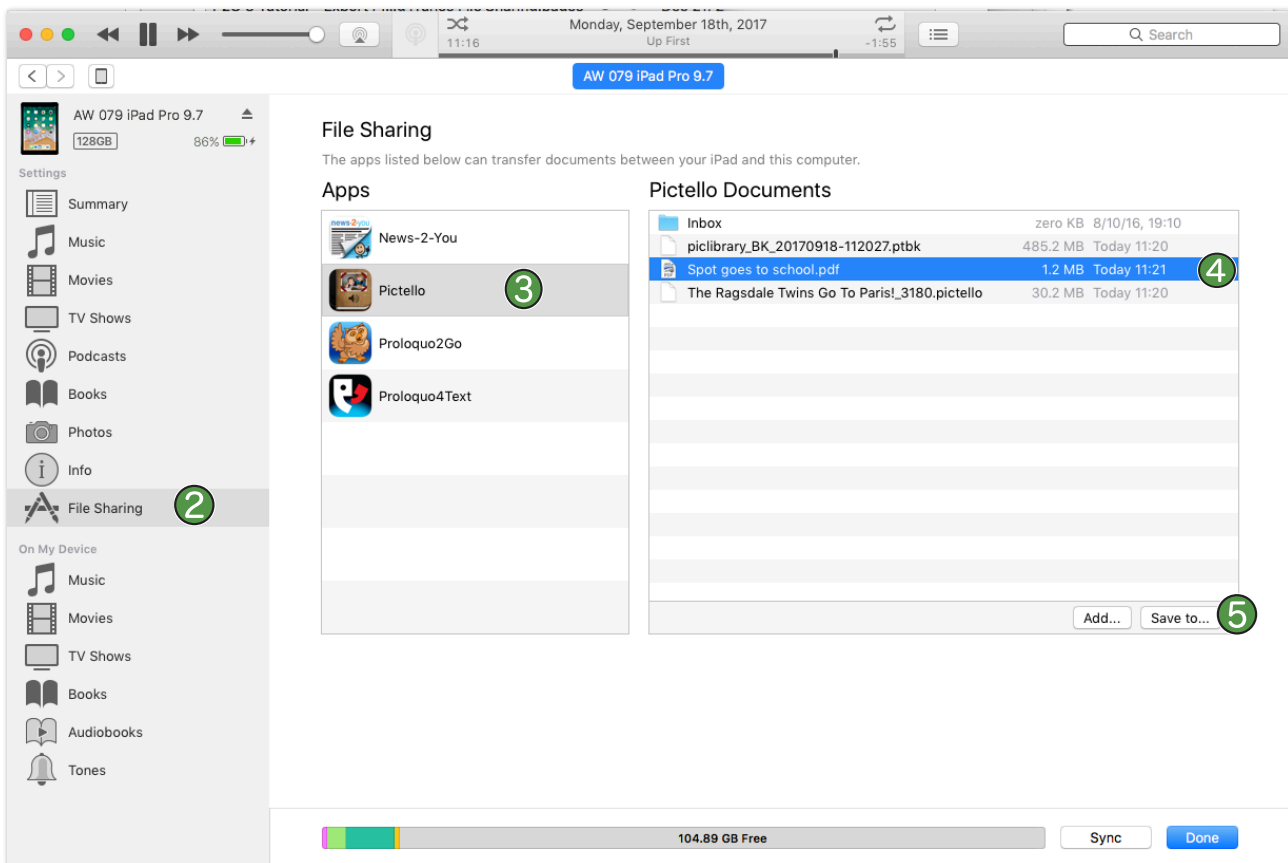

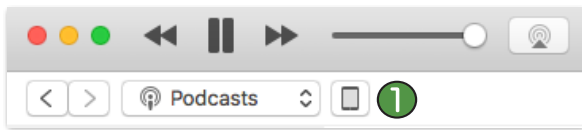

Mac: Make sure iTunes is the active application, and then select the iTunes menu at the top left corner of the screen, next to the Apple icon. Click on _Preferences_ **1**, then click the _Devices_ **2**tab in the window that appears. Click the check box for _Prevent iPods, iPhones, and iPads from syncing automatically._ **3**Then click _OK._ **4**
Windows: In the top toolbar, click _Edit_, then _Preferences._ Then, follow the directions above for Macs.

Saving PDFs to Your Computer using
iTunes File Sharing

- In the top left section of your screen, click the icon of your device. ①

- Click *File Sharing* ②in the left iTunes sidebar.

- Select *Pictello*. ③

- In the Pictello Documents list, all the Pictello stories and library backup files that have been exported to iTunes from your device will be visible. Stories saved as PDFs end in ".pdf". Select the PDF you want to save ④and click the *Save to...* button ⑤to save the file on your computer.

Once the file is on the computer, you can print the PDF or use your email program to attach the PDF to an email, and then email the file to share the story.
