Modeling plan for . . . .

Name of AAC Tool used	**Where and when to model electronic AAC**	**Where and when to model paper-based AAC**
_____	_____	_____
_____	_____	_____
_____	_____	_____

Target words and language to model

CORE WORDS	FRINGE FOLDERS TO EXPLORE
COMMUNICATION FUNCTIONS	**WORD COMBINATIONS AND SENTENCES**

We will model .... number of words at a time.

How much wait time is allowed after modeling?

> ....

What team members will be modeling and how/when will they do it?

> ....

⊘ We agree to modeling AAC for fun and motivating reasons, not for work, testing or directions. We will model more comments than questions. We will find words to match what we are seeing, doing and thinking.

We commit to this modeling plan for _____ months before reviewing.
